Product information

This lightweight closed front shirt offers protection to a range of international standards. The blended fabric is extremely comfortable and achieves an outstanding ARC 2 rating and the back vents ensure wearer is kept cool.

Portflame™

This inherently flame resistant fabric offers luxurious comfort and is ideal for hot climates. The special viscose blend provides outstanding ARC protection rarely achieved on lightweight fabrics. Constructed using 65% viscose, 33% aramid, 2% anti-static, Portflame™ is available in 185g.

Flame Resistant Multi-Norm

This industry leading flame resistant range provides multi standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
