Product information

This flame resistant two-tone lightweight shirt will keep you comfortable and protected in the toughest environments with high visibility reflective tape for enhanced visibility. The shirt tail will stay tucked in during movement and all day wear. Handy features include adjustable button cuffs and flapped chest pockets.

Bizflame™ Work

Bizflame™ Work coveralls have been developed and designed using the highly innovative Bizflame™ Work flame resistant fabric with added anti-static properties. The Bizflame™ Work fabric has been constructed from 99% and 1% carbon fibre ensuring high performance is guaranteed. Certified to a range of international standards, these styles are perfect for the demands of the offshore and welding industry.

Flame Resistant Multi-Norm

This industry leading flame resistant range provides multi standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
