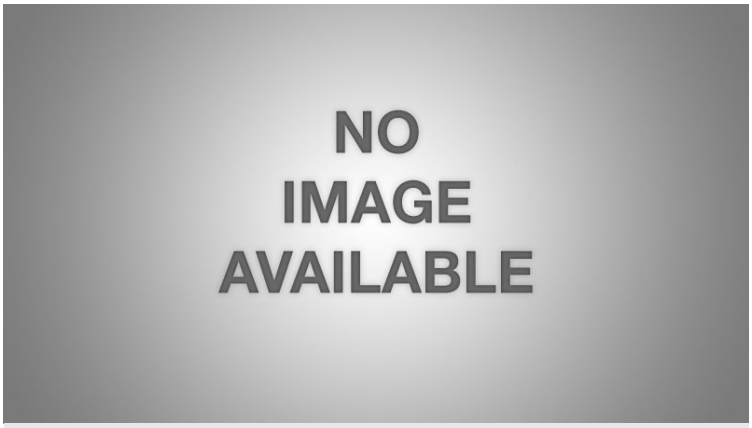
PRODUCT SPECIFICATION & TECHNICAL DATA

HA22 - Breathable Sun Shield Cap

Collection: Rainwear Accessories
Range: All Weather Protection
Materials: 100% Nylon
Shell Fabric: 100% Polyamide, 110g
Outer Carton: 90



Product information

Designed for outdoor work, this lightweight cap features reflective piping for visibility and a sunshade for neck protection. An adjustable toggle and bungee cord at the back ensure a secure fit. Available in two colours, it's a practical choice for staying protected and comfortable under the sun.

Rainwear Accessories

Designed for work and leisure activities, this collection of accessories features fleece & knit styles with Insulatex Pro linings for comfort on the coldest of days, and cooling products for comfort in heat.

All Weather Protection

Portwest All Weather Protection is engineered with exceptional fabrics and designs, allowing an easy transition between work and leisure. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured using the best quality materials and high technology construction techniques to ensure total satisfaction with wear after wear.

Features

- 50+ UPF rated fabric to block 98% of UV rays
- Neck shade for added protection against UV rays
- Reflective piping for increased visibility
- Adjustable size for a perfect fit
- New style
