Product information

The HV Extreme Ear Defenders are part of our new generation premium Ear Muffs. Featuring a PU padded headband, it provides maximum comfort during long periods of use. Its dual pin adjustable cups offer a secure fit. Excellent attenuation performance provides superior protection against harmful noise and the reflective padded headband provides ultimate comfort.

Ear Muffs

Portwest Hearing protection range includes PPE with different level sound attenuation, to be adapted to various working environments giving the correct protection from dangerous noise, without isolating the workers. New models and colours for earmuffs allow a personalised choice. An updated range of earplugs complete our competitive and performing offer.

Hearing Protection

Hearing problems occur when you are exposed to hazardous working conditions without wearing the correct protective equipment.

Standards

EN 352-1 (SNR 36dB)
ANSI S3.19 (NRR 30dB)
